#### It's Tax Time!!

Welcome to another tax season for filing your 2024 tax returns.

By now you should have received most of your tax does such as 1099s, W-2s, 1098s, etc. K-1s tend to take their time.

### **Tax Appointments**

This tax season we plan to work with our clients via emails, phone and if preferred by some, in person appointments. We therefore request that you **email/upload** all your tax does such as W-2s, 1099s, 1098s, K-1s etc., and your tax organizers at least 24 hours before your appointment, including in person appointments.

Schedule Your Appointment Online at <a href="https://netappointment.judakallus.com/appman.php?rownumber=65">https://netappointment.judakallus.com/appman.php?rownumber=65</a>

#### **Appointment Hours**

Monday – Thursday 12 pm - 8 pmFriday 12 pm - 6 pmSaturday Sunday 2 pm - 6 pm

To get started, please click on the link below and fill in our filing preference checklist. It contains very important and useful information.

#### Tax Return Organizer

Our tax organizers will help you to compile your tax data needed to prepare your tax returns. This year our default organizers will be Excel based.

Many find our Excel organizers very useful with various automatic calculations and form filing features. https://www.judakallus.com/data-organizer/new-excel-based-data-organizers/

Our original PDF organizer is also available but will only be updated, time permitting. You can still use our PDF organizers and we will edit your data entry, where its warranted due to tax form changes.

### https://www.judakallus.com/data-organizer/

**Extensions** Filing late without an extension will subject you to one of the worst penalties, up to 25% of the tax due! So, don't delay!

An extension to file your tax return is not an extension to pay your taxes. The IRS will grant you an extension without payment but will charge you penalties and interest totaling up to 25% per year on the outstanding balance. Most States have similar rules with similar penalties for extensions and late payment. Some States do not require filing an extension form.

However, **New Jersey** and **NYC-UBT** rules are more draconian. You must pay sufficient amounts with the extension, or they will invalidate your extension and charge you late filing penalties. So be generous with your NJ and NYC UBT extension payments. Remember, if you over pay, you will get a refund. If you underpay, you will get a penalty, a stiff one. So, overpay!

Should You file 1099s? If you are self-employed and have paid any freelancer, subcontractor or other individual \$600 or more in the course of your business during the year, the answer is yes. Copies of your 1099s must be mailed to the recipients and the IRS by January 31st. Late filers or inaccurate 1099s will incur penalties. If you want us to prepare your 1099s, download our 1099 data organizer from our web site, fill it in, and e-mail it to us. Here is the link <a href="https://www.judakallus.com/files/1099-DATA-SHEET.pdf">https://www.judakallus.com/files/1099-DATA-SHEET.pdf</a>

Should you file FBAR? If you have one or more foreign accounts, you should read this. The rules are complex, the requirements are onerous and the penalties horrendous. For information, click here: https://www.judakallus.com/files/S-FBAR-Info.pdf

Due April 15th with automatic extensions to October 15th if an extension for income tax return is filed. If you have foreign financial accounts such as bank accounts, brokerage accounts, mutual funds, etc. or have a signatory authority over such accounts, and on any one day during the year, the total value of all accounts exceeded \$10,000, you are required to file this form. There are heavy penalties for late and non-filing. Click on the link below and fill in the necessary information, and send it to us.

https://www.judakallus.com/files/T-FBAR-FinCEN-114.pdf

#### If you think FBAR is onerous, read this:

Reporting requirement of ownership of many entities. **BOI**.

The BOI requires entities and their owners to report ownership information starting in 2024. There are heavy penalties for non-compliance, up to \$591 per day late.

\*\*\* The filing requirement was suspended by litigation. That has now been settled and all entities that were required to file, but did not file, now MUST FILE BY MARCH 31st, 2025. There after all entities required to file must do so within 30 days of the creation of the entitiy. \*\*\*

Please click on the link below for information and our organizer for filing the BOI.

Final Note: If you receive any notices/correspondence from the IRS or any other taxing jurisdiction, email, mail or fax a copy of the notice to us. Many adjustments are erroneous and can be resolved with a single correspondence. Calling the IRS is often frustrating and futile. Send the notice/correspondence to us before you call us.

According to the IRS, you are required to keep records that will enable you to prepare a complete and accurate tax return. Although the law does not require any special form of records, you must retain all receipts, cancelled checks, bank statements and other evidence to support amounts claimed as deductions. You must keep your records for as long as their contents may be material in administering any Internal Revenue Law. In most instances, this means 3 years after the date of filing the return.

### **Prepaid Audit Agreement**

IRS tax audits are stressful and distressful events. In most instances taxpayers lives are put on hold while they devote their full attention and energy to prepare for this event. In addition, taxpayers must often incur costly audit representation expenses which, when added to the additional taxes that are assessed by the IRS and the state taxing authority, could be disastrous to your financial health. With this in mind, we developed a Prepaid Audit Service designed to remove the financial burden of audit representation costs. Our plan is to offer the following coverage:

We will cover any correspondence in response to an inquiry by any taxing authority for which a tax return was prepared by us.

We will cover assistance in preparation for an audit and representation services at IRS and State offices, and at our or your office. We will also cover costs for amended return preparation services which are often required after an audit. This agreement does not cover any assistance in dealing with any taxing jurisdiction for which a tax return was not filed.

### **How to Compute Your Prepaid Audit Fees**

- A Lets say your tax preparation fee is \$400, and it includes Schedules "A" and "C"
  Your Prepaid Audit Coverage fee is:
  (\$400 X 25%).....\$100
- B If you live outside the NY Metropolitan area, ......your Prepaid Audit Coverage fee will not cover ......travel, transportation and lodging.

However these expenses may not be necessary. In the past we handled out-of-town audits via mail and telephone or transferred it to NY.

### **Audit Coverage Fees**

If your tax return consists of Form 1040, Resident State tax returns plus....
