

# Moving Expenses

3903

Under the Tax Cuts and Jobs Act, deducting moving expenses for a new job is no longer allowed for federal income tax purposes in 2018-2025, unless you are a Member of the Armed Forces. However, California, Massachusetts, and New York will continue to allow you to exclude qualified moving expenses reimbursement and moving expenses from your AGI for tax years 2018 to 2025.
